I just sent a time, let me know if it works.
Times were tough and I found a half hour free, but it looked the second half hour was busy for you.

Let me know if it works or if we need to go to Plan B.

Justin,

Attached is a SIP consistency paper for the Texas SSM SIP call issue and a draft note to go out with the invite. Ideally this call would be scheduled for next Thursday afternoon 12/12 to allow time for responses to come back in.
